

Compton School Association

Spring 2018

We are now just over halfway through the school year—where does the time go! The School Association has been busy and has many other things planned for the rest of the year. The Christmas Fair and movie night raised over £7000 - a big thank you to everyone who supported, spent money and took part in these fantastic events. By raising this money the School Association has supported the following activities:

Bovisand Beach School	New school staging
Tables and chairs for classrooms	Dartmoor Zoo visit
Bournemouth Symphony Orchestra visit	High vis jackets

Dates for your diary

Spring term disco 13th March
Easter Egg hunt – 24th March 11am – 1pm
Summer Fair – 15th June

Volunteers

The School Association is run entirely by volunteers and we rely on everyone helping out where they can. Many events would not go ahead without willing helpers so please consider lending a hand when you can.

The School Association has also been raising money through the Compton Business Club where local businesses donate a minimum of £100 per year to support the school. There are now 25 businesses (listed below) supporting the school in this way and this has enabled the school to spend £3000 to new books to match the curriculum. Huge thanks to the Compton Business Club members, whose support is hugely important and greatly appreciated by the School Association, Compton C of E Primary, and of course the children:
