

Dear Parents and Carers,

Welcome Back!

I hope you enjoyed a restful and enjoyable break. The staff are excited to welcome all the children back on Wednesday 6th September. We have included below arrangements for our Meet the Parents in September. This is an opportunity for you to meet the staff and learn about the year ahead. We trialled a workshop approach very successfully last year in the infants and will be rolling this out to the whole school.

On the day of your meeting, staff will greet you in the school hall and outline the arrangements for the session. We are able to provide a creche for the 3.30pm meetings (for school aged children only).

After two non pupil days all our staff are looking forward to working with their new classes and to make the Autumn Term the best ever.

Please wait in the car-park area to the front of the school until the blue gates to the side are opened and your entrance will be via the side hall door.

Best Wishes,

Mark Oakshott
Headteacher Compton CofE Primary School
