Headteacher News:

Another great week here at Compton culminating in a superb assembly by 5NW. They were debating whether the Tudors really were that terrible! The knowledge of the class was outstanding, but what I really liked was that the children were able to really debate the question and use examples to back up their arguments.

Wishing you all an enjoyable weekend and HAPPY RED NOSE DAY .

Year Group News:

Year 2

This week, in Year 2 we have been enjoying our science learning about a balanced diet and hygiene. The children have taken part in taste testing a range of fruits and vegetables in order to ensure they are getting the nutrients their bodies need. They also have conducted an investigation into the best way to remove germs to keep themselves healthy. There were giggles and glitter everywhere!

Book Fair

A huge thank you to everyone who supports our school book fair. We raised **£797**. As a result, we will receive 20% to purchase new books for the children.

Young Carers Day of Action – 13 March 2024

It was Young Carers Day of Action this week and Miss Howells and Mrs Woodman facilitated an Art activity with our Young Carers. It gave our Young Carers a chance to meet up, share their experiences and form friendships.

PE & Sport News:

There was a 'silly sports day' event for Service Children on Monday afternoon this week. It was held at the Life Centre, organised by the charity Aggies, in conjunction with PE Students from City College. I was able to take a Team of 6 Year 6's along.

All the boys had a great time and gave it their all. I'm delighted to say, we WON and the boys were presented with a trophy, along with an Easter egg.

Other events are being planned in the future, which following the break since Covid, is great to hear.
