Headteacher News

As you know, our **Safer Streets** initiative has been really successful. Thank you for all your positive comments. However, due to staffing issues, you will have noticed that we can no longer man the barriers in the afternoon. Unfortunately, this means the traffic has increased significantly, and the subsequent dangers have increased. We need a rota of parents or grandparents to set up and man the barriers in the afternoon. If anyone can help from 2.45pm - 3.10pm that would really help us. Please contact Victoria in the school office to register your interest.

Thank you in advance for your support. Have a great weekend.

Little Princess Trust

We have a very generous little girl in Foundation who is raising money for The Little Princess Trust by having her lovely long hair cut on Friday 14th February. If you would like to donate to this very worthy cause, please scan the QR code below.

Year Group News

Year 5

In year 5, we have started the new term off with a trip to the Immersive Dome in Devonport. For those who don't know, this is one of the most advanced screening domes in Europe, allowing for a fully immersive experience. To kick start our new Science topic, we watched two films that took us to the edge of the known universe and back again. We visited the rocky mountains of Mars and dived deep into the frozen oceans of Neptune. We followed the journey taken by the voyager probes and went back in time to the origins of time. The children loved the whole experience and have come back to school eager to learn more, why not ask your children what they found out? We would like to thank the School Association for supporting this trip by covering the cost of the coach.

School Association

Thank you to all of you who have already volunteered to help out at our next disco on **Thursday 6th February**. We still have the odd slot available to fill, so if you're free and happy to help please fill in the form below:

[VOLUNTEER FORM](#)

Don't forget you have until **Monday 3rd February** to buy your tickets via Parent Pay.

Also, our next event planning meeting is in the school staffroom on **Monday 10th February at 7.30pm** so we'd love to see you there then!
