Headteacher News

Welcome back everyone to a brand-new academic year. It is always a really exciting time and the children have already started to impress. I talked in worship yesterday about children writing a new story this year and wondered aloud what that story would look like when we get to July. I also talked about healthy snacks at break time (we saw a lot of chocolate in snack boxes). On a personal note I have tried to be a lot more visible over the last few years. So, if you have a problem or concern come and talk to me. Most things can be resolved pretty quickly. Looking forward to a excellent year .

Saltash Community School's 'TEAM' values run through everything we do. We might be the right choice for you and your child if you...

...believe school should nurture and support young people to achieve, teaching the importance of **tenacity** so that everyone can 'make it possible.'

...support high standards of behaviour and conduct, in a safe and calm environment, where students are taught **empathy** and to 'look after each other.'

...want an exciting curriculum, taught by inspiring teachers, that helps students to take charge of their future and have the **aspiration** to 'be the best they can be.'

...encourage participation in a wide range of extra- curricular and enrichment activities, so that all pupils succeed and feel **motivated** to make 'every moment matter.'

Thinking about YEAR 7?
