Headteacher News

Well we are hurtling towards half term. It is looking like the traffic narrowing system (at the top of Pearn Road) will be going ahead. This is part of the Safer Streets initiative. I believe they will also be providing bollards which should make the road even safer for our children. More information to follow. On the subject of safety can we please keep the children off the banks before and after school. I am seeing a lot of younger children playing on the banks and it is very dangerous.

Have a great weekend.

The Voice Of Compton

Congratulations to Megan and Jack, who fought off some very stiff competition to become the new **Voice of Compton!** If you call our school during working hours, you will now be greeted by Megan and if you call after hours, you will receive a message from Jack.

Parents' Evening

Please ensure you have booked your parents' evening slot. If you are experiencing any difficulty making this booking, please call the school office and we will be happy to help.

Christmas Card Competition Deadline.

Don't forget that Tuesday 21st October, is the deadline to return your child's complete Christmas card design sheets. We know it's very early, but the sooner we send them off, the sooner you will be able to order and receive cards or other products with your children's artwork on. If you require another form, we have some spare sheets in the office. We look forward to seeing what all our budding artists here at Compton will create.

There will be some **prizes** for the winning designs closer to Christmas.

Year Group News

Year 1

This term, Year 1 have been learning about what it means to belong to a faith. Through stories, pictures and discussion, the children have explored different religions and the special items and places that help people feel part of their faith. We talked about celebrations, ceremonies and how people show love and care in their communities. One of our favourite moments was acting out a baptism, which helped us understand how some people welcome babies into their faith. The children showed wonderful curiosity and kindness as they shared ideas and asked thoughtful questions.
