Headteacher News

Welcome back everyone and a very Happy New Year. The children seem very excited about 2026 and a number have made some fantastic resolutions. What a week for weather ! We have had Ice and then last night's storm. Luckily, our site has been unaffected, apart from our foundation fence which will be repaired today. Next week we are developing our policy for invacuation. This is an essential part of our safeguarding and lockdown procedures. We aim to have a walk-through with our children and then SLT will evaluate the effectiveness.

In worship, we will be looking at our value of Koinonia and what it means to be part of the Compton school community.

Have a great weekend.

Mildred Tumbleweed

At the end of last term we were lucky enough to have Mildred Tumbleweed visit our school. She came in to see our KS1 Service children, and they made a Christmas Tree decoration and made some reindeer food to take home. Thank Mildred Tumbleweed for a wonderful visit!

Year Group News

Foundation

The children have enjoyed a very busy first week back to school and are very much looking forward to watching Dick Whittington at the theatre!

In preparation for the show, we have looked at the story of Dick Whittington, his journey to London and we've created maps showing the key features of our capital city. The children have also enjoyed using their creative joining skills to make more ships for Dick and his cat to chase the mice and rats away from.

The children were also excited to start Drawing Club - our adventure into story, this week! We have discovered new vocabulary with actions to help us remember the story of *Not Now, Bernard* and we are beginning to expand our talk about stories through our shared love for them.
