

NEWSLETTER - Friday 6th February

Headteacher News

A really good week . From Monday to Wednesday we hosted a Challenge Partner Review. This is effectively a mini external review of our school. The reviewers observed lessons met with middle and senior leaders and interviewed children. The children who worked with the reviewers were truly outstanding. They really articulated what it felt like to be a child at Compton Cofe Primary School. One of the children said that she wished the school was bigger so that more children could experience the school. She did however add a caveat that the new children would have to behave ! I could share the outcomes but I think I will wait and share the full report as soon as I receive it.

Have a great weekend.

Office News

Dates for your diary

Who	What	When
KS1	KS1 Spring Disco	Thursday 12th February @ 5.30 - 6.30pm
KS2	KS2 Spring Disco	Thursday 12th February @ 6.45 - 8pm
Whole School	Last Day of Term	Friday 13th February
Whole School	First Day Back	Monday 23rd February
Whole School	World Book Week	Monday 2nd - Friday 6th March
Whole School	World Book – Costume Day	Thursday 5th March

Pre-Loved School Uniform

If you require any school uniform from our selection of good quality pre-loved clothes, then please email the school office on: **office@compton.plymouth.sch.uk**

We will then check our stock and let you know when it is ready to collect from reception, and in the event that we do not have the item you require, we will notify you if/when it comes into stock.

We kindly ask for a small voluntary contribution for any uniform you collect, payable at the school office.

Pilgrim Pete Came To Compton!

This week, the children in years 2, 3 and 4 were thrilled by a special visit from Thaila from Plymouth Argyle Community Trust, who was joined by none other than Pilgrim Pete! As part of National Storytelling Week, they brought stories to life in a fun and interactive session that sparked imagination and joy across the school.

Year Group News

Year 3

This term, our budding artists in Year 3 have been learning about portraits and making 3D sculptures in preparation to create Ancient Egyptian masks using papier mâché. We have learned all about the proportions of the face and the importance of symmetry. This week, we have enjoyed applying this knowledge by creating 3D faces using clay. How do you think they did?

Hints & Tips

HINTS & TIPS

This term we are trying a new regular link on the weekly Newsletter. There is a huge amount of information available for parents, provided by different services. The Child Development Centre, CAMHS and Livewell have tried to pull this information together in useful 'PADLETS' which contain very useful information for ALL parents. This week's Padlet looks at Gaming & Internet Use for Neurotypical and Neurodivergent brains:

Take a look!

School Association

We have a few more dates for your diaries so pop them in to make sure you don't miss out on the events we'll be running in the future.

And, this is your last reminder that online **Disco** ticket sales via ParentPay closes at **9am on Monday 9th** so, if you haven't yet bought them, you have just a couple more days left. Don't forget, buying them in advance really helps us speed up disco entry so if you can, please secure your child's space this weekend.

Upcoming Events
