### Headteacher News

Another great week and only one more until a well deserved Easter break. Look below to see the big run information. So many children have done so well to achieve so many miles. It really is a wonderful achievement. Well done to Mrs Arscott (Deputy Headteacher), who dreamt up the idea and coordinated it through to the end. It will definitely be something that the children involved will never forget.

Have a great weekend.

Our Big Run is getting closer and the runners are really keen to finish their final miles to hit their goals on **Wednesday 1st April** at Foulston Park.

A reminder of the approximate timings:

**Arrive:** 9:45

**Final miles between** 10:00 - 10:20

**School run:** 10:20 - 11:00

**Awards/ medals:** 11:20

**Return to school:** 11:45 - 12:00

Just a few things before the big day.

- Runners should remember to wear their club t-shirt with their PE kits on the day.
- All children wear PE Kits.
- Remember to bring weather suitable clothes, we are hoping for the sun, but it can still be a bit chilly in the mornings, so bring a jacket or jumper.
- Wear a sun hat
- Bring a water bottle.
- Bring some big voices to cheer each other on!
- Grown ups, do remember your own running shoes, Mr Pound is keen to race you round the track!

### **At the track**

We'll keep the children in a designated area, just like we do at sports day. There is lots of space around the track outside of this area for you to stand and cheer us on.

### **Parking**

Parking is limited at Foulston park. There is a much bigger car park at Stonehouse Creek, which is at the bottom of Kings Road and a short walk up the hill to the event.

### **Refreshments**

There is a cafe within the Foulston Park Hub for that pre or post running carb load (grown ups only, we'll provide children with their snacks).

### **Reminder**

If you haven't already done so, please complete the filming consent form that was sent via email recently. All details can be found within that email. If you have not received this or cannot find it, please contact the school office.

## Year Group News

#### **Year 4**

As part of our Design and Technology unit and linked to our history topic, Year 4 have made a Viking Broth. They have used the skills of peeling and chopping vegetables to create a hearty broth fit for a Viking. The children tasted and evaluated their creations and there wasn't much left.
