Headteacher News

Welcome to the Summer Term at Compton ! I hope you all managed to have a restful break. Some of you may have noticed a structure being erected (above the muga). This will be our new outdoor classroom. Lots of work still to do but our hope over the coming months is to get a really effective forest school curriculum developed and as many children using the classroom as possible. This would not have been possible without the support of our wonderful School Association who have provided the funds. Thank you, Thank you, Thank You.

Year Group News

Year 2

It has been lovely to have the children back, our classrooms are buzzing with excitement about our new geography topic, Mexico!

This week the children have been learning about the seven continents of the world through: songs, atlases, games and creating a group globe. Next week, they will use this knowledge to create their own map of the world and learn the names of the oceans.

The Newest Member Of The Team

Introducing Hatty.

Hatty is going to be joining Mrs Arscott on a Monday afternoon for some group work, reading and pastoral work in school. Hatty has had lots of experience working with children in school settings and is generally considered a 'very good girl'. She will always be under Mrs Arscott's supervision and on a lead if moving around the school building. If you have any questions, please do get in touch.

School Association

Our next big event is our summer fair and we'd love to see as many of you there as possible! For it to go ahead though we need as many helpers as possible so please keep your eyes peeled as we'll be sending out the volunteer survey soon so if you can spare a bit of your time to do a shift on a stall we would really appreciate it!

Thank you!
