Headteacher News

Another year and another SATS week completed. A great big well done to our marvellous Year 6 who showed a wonderful attitude to their exams and, as always, displayed the true Compton Spirit. A thank you to our wonderful team in Year 6 and the office staff for making the administrative process flawless. On Thursday, we even received a Local Authority visit to ensure that our procedures were secure. We knew they were, and no concerns or issues were raised.

In other news, I am a little worried about the weather for next week's sports days. It is not looking too good. We will make the call on Monday.

Have a great weekend everyone.

Office News

Dates for your diary

Year Group News

Year 6

This week, the children in Year 6 completed their KS2 SATs papers and we could not be prouder of the way they approached the week. Over many months, the children have shown tremendous determination in preparing for these assessments and throughout the week they conducted themselves with maturity and positivity. They truly did themselves proud in every possible way.

The children enjoyed coming into school early each morning for our SATs breakfast sessions, which gave everyone a chance to settle their nerves and start the day with breakfast and a chat with staff and friends. After each paper, there was also time to relax and unwind with biscuits and juice, helping the children feel calm and celebrated after all of their hard work. Most importantly, the children supported one another brilliantly throughout the week; their attitude has been fantastic and they have been wonderful ambassadors for the school.

Now that SATs are finished, Year 6 have so many exciting events to look forward to as they approach their final term at primary school, including the residential trip, the Year 6 leavers' production and their leavers' day out to Woodlands Theme Park.

Well done, Year 6 - we are all incredibly proud of you and everything you have achieved.

Sports News

Monday's assembly was a little different from usual, with a special visit from Plymouth College. We were treated to a 'Sports Star Roadshow', where the children learnt about elite sport and what it takes to succeed at that level. A massive thank you to all the students and to Plymouth College for such an inspiring afternoon.

Tyler G -Swimmer

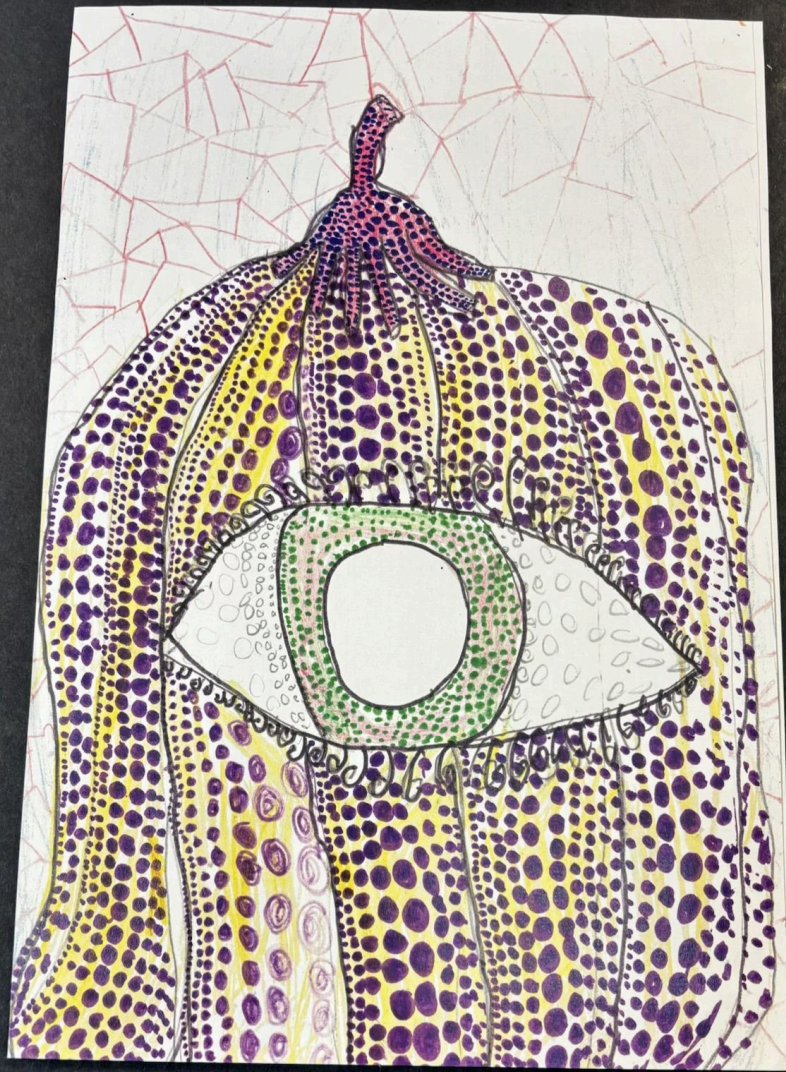

Ollie H - European Diving Junior Champion

Olivia I - Team Bath Netballer

Lacey R - Elite Swimmer, Olympic Qualifier

Sophie R - International Women's Circuit Tennis Player

Artist of the Week

Year 5

Pumpkin in the style of
Yayoi Kusama

Artist of the Week - chosen from Year 5. This Year 5 child has developed their own version of a Yayoi Kusama (the Dot Lady) art piece. They have included the signature style of dot work to create their own pumpkin artwork. A fabulous creation!

Hints & Tips

SLEEP revisited (tricky for many at this time of year). A whole padlet from the Children's well being team (CDC) on SLEEP (including information and tips/ techniques to try/screens and bedtime.

School Association

As you know, it's our Summer Fair on **Saturday 13th June** and we're asking for your help! It's a **non-uniform day next Thursday** and we're asking, in return, for some donations for the fair's very popular Tombola stalls!

So, have a root through your cupboards and, as long as it's unopened or in good condition and within the best before date, we'll accept what you can spare!!

Your support, as always, is really appreciated. We can't make this happen and raise lots of money for the children without the help of the whole school community, so thank you!
