Headteacher News

You know we are back fully when our vast range of clubs start. When the standard school day ends, the learning and growth does not have to stop. Compton clubs and activities give our children a safe space to explore new interests, build friendships and strengthen skills outside the classroom.

Thank you to all of you who have signed your children up. It's our most popular year to date.

Have a great weekend.

Year Group News

Year 5

Year 5 have had a great start to the year. We have been exploring the art of Yoyoi Kusama. We have looked at the colour wheel and learnt about contrasting and analogous colours, as well as how colour can impact our emotions. We have also drawn pumpkins and decorated them in the style of Kusama. We are now creating our own Kusama inspired artwork using hot and cold colours, and objects that are special to us. We are looking forward to getting to grips with more of our topics in the coming weeks.
