

Dear parents and carers,

As the spring term is coming to an end, we reflect on all the wonderful activities and achievements the children have achieved especially well done to our Netball team who achieved 3rd place in the schools regional finals.

This term, we have noticed that at times our children are not wearing the correct school uniform for example, children wearing black, grey and red hoodies, blue polo shirts etc. Compton children have always taken pride in their school uniform which in turn reflects their pride in their behaviour and learning. This is something that we are keen to continue to promote. If your child is not wearing the appropriate school uniform (as per school policy) we will provide them with a clean spare.

We would appreciate it if you could check your child has the correct uniform to wear including PE days. If your child has lost their jumpers/coats etc please check our lost property box (in the car park) because it is very full at the moment. Now the weather is dry lost property will be spread out on tables, until the end of the term, please feel free to look through.
