Headteacher News

In worship this week we have been talking about creation. Children have been reminded that we are all EARTHKEEPERS. Everyone on this planet has a responsibility to look after the world. It has made for some excellent debates. I have also been really impressed with how our new House Captains and Vice Captains have been going about their work. We have a number of excellent leaders of the future.

Have a great weekend.

Year Group News

Year 4

A Roman Invasion Comes to Life!

As part of our topic on Romans in Britain, Year 4 had an exciting visit from a Roman centurion who helped us imagine what life was like when the Romans first arrived.

We began the day in our classroom 'roundhouse', exploring artefacts from ancient Britons-tools, clothing, and everyday items. Just as we were settling in, dramatic news arrived: the Romans were approaching!

Our centurion guide taught us all about Roman life-what they ate, wore, played, and how they fought. In the afternoon, we trained like Roman soldiers, learning to march in formation before bravely battling a group of fearsome barbarians .

It was a brilliant day full of learning, laughter, and lots of marching. The children were buzzing with excitement and left with a deeper understanding of what life would have been like in Roman Britain.

School Association

We are always looking for ways to raise more funds to enrich the lives of Compton Children and getting companies to match what our volunteers raise is a perfect way to do just this! So, if you help at one of our events and, for example, raise £500, your employer could also donate a further £500 to match the money you raised!

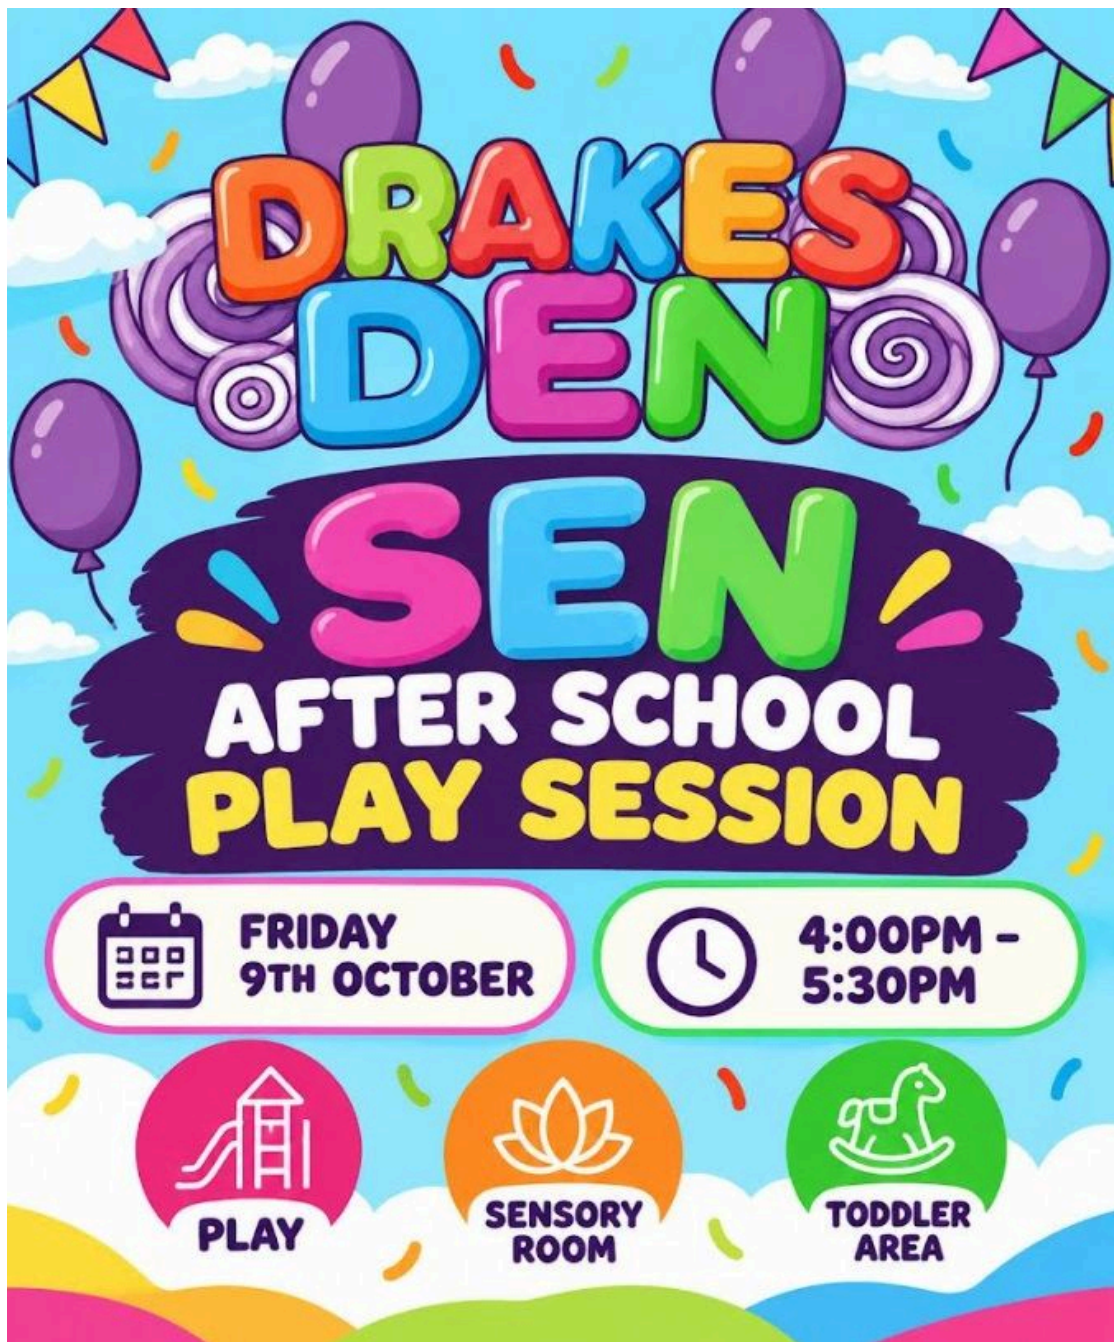

So, if you work for any of the businesses shown below then please see if you can help us out! Whether it's a shift on the disco sweet stall or manning the Tombola at the Christmas Fair, we'd love to hear from you!

Talking of volunteering, we are recruiting for our autumn disco so if you're free on October 15th and want to help out then please fill in your details on the form below. For those who have already signed up, thank you for your support, we'll be in touch with a rota nearer the time!
