Headteacher News

So, a while back I was really excited about the number of clubs starting in school. As I said previously, it is brilliant to extend and enrich our children's learning. Unfortunately, as clubs start, the number of jumpers and sweatshirts left behind increases significantly. This in itself is not so much of a problem (although we would like all our children to be more responsible) because we have lost property monitors who deliver the said items to the children. The problem occurs when we do not know who owns the clothing. Please, please, please write your child's name in their jumpers and cardigans. When we think about the cost of replacements, it is a good thing to do.

Thank you for your help and have a good weekend.

Whole School	Last Day of Term	Thursday 22nd October
Year 6	<u>Deadline</u> to complete Secondary School applications	Saturday 31st October 2026

Green Non-Uniform Day for Harvest!

For this year's Harvest we are collecting for Project 35 - part of the Argyle Community Trust.

Monday 19th October will be a non-uniform day where we will collect in food donations for our Harvest celebration. We will then have a special assembly where we will find out more about the project.

This is what will happen on the day:

-  **Green non-uniform day** – pupils come to school wearing something green (or if your child doesn't have green, can they make green with something blue and yellow - get creative!).
-  **Donation or Food Collection** – pupils can bring in an item of food to support Project 35.
-  **Meet Pilgrim Pete** – our club mascot will join us for the assembly.
-  **Healthy Eating** – a fun and age-appropriate section looking at healthy eating and making positive choices.
-  **About Project 35** – introducing the campaign and explaining how we are supporting people across our community.
-  **Special Guest Q&A** – where possible, we will look to bring along an **Argyle U18 player, Gary Sawyer or a member of our women's team** to take part in a question-and-answer session with the pupils.

Below is a list of suggested donations – if you are able to.

Shopping List

Help us support local people in our community.

If you're doing your shopping today, please consider adding an item or two from the list below to your trolley.

Every donation, big or small, helps make a difference.

Breakfast & Bakery

- ☐ Cereal
- ☐ Bread
- ☐ Flour
- ☐ Jam

Tinned & Jarred Foods

- ☐ Baked Beans / Spaghetti
- ☐ Tinned Vegetables
- ☐ Tinned Tomatoes
- ☐ Soup
- ☐ Tinned Meat
- ☐ Tuna
- ☐ Pasta Sauces

Cupboard Essentials

- ☐ Pasta
- ☐ Rice
- ☐ Noodles
- ☐ Sauces & Spices

Drinks

- ☐ Coffee
- ☐ Juice
- ☐ Long-life Milk

Snacks & Treats

- ☐ Crisps
- ☐ Biscuits

Toiletries & Household

- ☐ Toiletries
- ☐ Toilet Rolls

Thank you for supporting
Project 35

Your donation could help put food and essential items on the table for a local family or individual in need.

Please donate your items at the
Project 35 collection point.

Every item
counts.
Every donation
matters.

CAKE SALE FOR RETINA UK

One of our Year pupils will be holding a charity cake sale on **Friday 9th October** to raise money for Retina UK. The 9th of October is also Sight loss awareness day. If your child would like to buy a cake and support this worthy cause, please can they bring £1 to school on Friday 9th October. If you would like to know more about why Max has chosen to support this charity, please read below.

Why am I doing it?

Retina UK is a charity that means a lot to my family, it helps to research eye conditions like my Dad and Nan have. They have a genetic eye disease called Retinitis Pigmentosa. The condition causes peripheral sight loss and eventually blindness. My Nan is completely blind and has a guide dog but my Dad only has peripheral sight loss at the moment. There is also a 50% chance that I could also have the eye condition when I am older.

My Dad ran the London marathon for Retina UK and that inspired me to do my own fundraising for the charity. I have completed a 50 mile bike riding challenge and also a running challenge and raised over £500. I would like to continue to raise money for retina UK in hope that one day they will find a cure for some of these sight loss diseases. I am doing a cake sale in school on Friday 9th October so please support my fundraising and bring an £1 to school for a cake and a good cause!

Year 3

Magnetic madness!

This week in Year 3 we have been looking at magnets. They have looked at how magnets are structured by having a north pole and a south pole. The children have had lots of fun using the magnets to discover how magnets can repel and attract. After this, they then had time to investigate which pole could have the strongest force on different objects and materials.

We can't wait to continue our magnetic investigations further on in this half-term.

PE NEWS

Our Year 2s have been having lots of fun in their new PE unit all about balances! 🤸

We played a fun game called “Buzz Balances”, where we pretended that the hoop would buzz us if we touched it as we made our way through.

There were some super creative balances on display and it was fantastic to see the children experimenting with different shapes, positions and ways of moving. Well done, Year 2!

District Sports

District Sports are currently working in partnership with Activate Youth Football Club to help them deliver their 'Mini Kickers' football sessions for children aged 4-6 years old. These sessions are run at Egguckland Community College. For more information please see the attached flyer.

School Association

As the festive season fast approaches we're busy preparing for our Christmas Fair, on Saturday 5th December, and our yearly raffle! Both are always a great way for us to raise money for the school but we need the help of you and local businesses!

Sponsors are really important for us as they cover the costs involved with organising these events so if you know of any business who would like their name included in our marketing then please do get in touch with us! Also if you, or a business you know, are able to donate a fabulous prize for our raffle we would be over the moon!

If you would like more information on any of this then please contact us on

compton-sa@hotmail.com

Thank you!

We're looking for

Sponsorship

for our Christmas Raffle!

You'll be credited as our raffle sponsor
and your name and logo
will appear on **9000** tickets that get
sent out to the Compton Community!

If you're interested and would like
to know more about this, or our
other sponsorship packages, then please
contact us on compton-sa@hotmail.com
