### Headteacher News

Another busy week. Lovely to see our new Infant Musical Theatre so popular as are all our enrichment clubs. We have been thinking about what frightens us this week. Thinking about who helps us when we are frightened and linking into some really good bible stories.

Short week next week with no school on Friday.

Have a great weekend.

# Green Non-Uniform Day for Harvest!

For this year's Harvest we are collecting for Project 35 - part of the Argyle Community Trust.

**Monday 19th October** will be a non-uniform day where we will collect in food donations for our Harvest celebration. We will then have a special assembly where we will find out more about the project.

This is what will happen on the day:

- 💚 **Green non-uniform day** – pupils come to school wearing something green (or if your child doesn't have green, can they make green with something blue and yellow - get creative!).
- 🥫 **Donation or Food Collection** – pupils can bring in an item of food to support Project 35.
- 🐴 **Meet Pilgrim Pete** – our club mascot will join us for the assembly.
- 🍎 **Healthy Eating** – a fun and age-appropriate section looking at healthy eating and making positive choices.
- 💚 **About Project 35** – introducing the campaign and explaining how we are supporting people across our community.
- ⚽ **Special Guest Q&A** – where possible, we will look to bring along an **Argyle U18 player, Gary Sawyer or a member of our women's team** to take part in a question-and-answer session with the pupils.

Below is a list of suggested donations – if you are able to.

## Year Group News

### Year 1

**Celebrating Grandparents' Day!**

Last week, the children in Year 1 enjoyed a very special Grandparents' Day celebration! We welcomed grandparents into school to share a wonderful morning of learning, laughter and memories. As part of our history learning, the children explored the past by looking at old toys, making paper dolls and creating special memories with their grandparents. It was a lovely opportunity for the children to learn about the past through the experiences and stories of their own families.

Everyone enjoyed a cup of tea or coffee and some of Miss Bates's delicious homemade cakes! Thank you so much to all the grandparents who joined us and generously donated. We are delighted to have raised an amazing **£295**, which will go towards improving our continuous provision, helping us to purchase new toys and resources to make the children's learning even more fun, engaging and exciting. Thank you to everyone who helped make the day so special!

## PE News

Last Friday, our Year 5/6 hockey team took a trip to Marjons to compete in a tournament. Unfortunately, a few schools couldn't make it, so we only had three fixtures. Nonetheless, our children gave their all, scored lots of goals and demonstrated excellent sportsmanship. Their efforts were rewarded with a silver medal. Well done, Compton!

## School Association

Firstly, a huge thank you to all our volunteers who helped at last night's disco. We really appreciate you giving up your time to do so. Thank you all for braving the rain and bringing your children. We hope they all had a great time!

Now, as you may have already seen, we have an evening for the adults coming up! Our wreath making night is planned for Friday 27th November! If you're interested in coming along, please drop us an email with the names of those attending and we'll send over the bank details so you can transfer the entrance fee of £35 per head to the School Association. That includes everything you need to make your wreath, plus an arrival drink and mince pie! There will of course be a bar for you to purchase additional drinks on the night too. We can't wait to see this year's beautiful creations!

## Community News

**Autumn Light Night | Saturday 31 October, 5.00pm-6.30pm**

Join us for a fun-filled Autumn Light Night as we celebrate light, hope and community together. With games, music, refreshments and plenty of seasonal fun, it's a safe and welcoming event for children and families. Come along and discover the hope of the Light of the World, as we enjoy an evening of laughter, friendship and celebration. We'd love to see you there!
