

Compton School Association Summer 2017

A YEAR IN VIEW

The School Association has been hard at work this year and has run three discos, two fairs, an Easter Egg hunt, launched the Compton Business Club, held a second hand uniform stall, ran a refreshment tent and had regular monthly meetings at the Rising Sun. The School Association are committed to our school even in these financially challenging times as the support and education of our children need remains unchanged.

This year has seen as a rise in our income mainly due to the redesign of our raffles and the fantastic prizes our partners in the community have offered to our school.

As this academic year draws to a close a big thank you to everyone who has been involved in the School Association and all the parents who continue to support the work of our School Association.

What we've spent the money on.....

This year the School Association supported a wide variety of projects in the school. Below is the list of where the

Thrive Room £1,800.00
Nutty Noah £300.00
Pantomime Coaches £380.00
Yr 5 HMS Courageous £130.00
Space Lab -KS2 £232.00
Music Equipment £472.23
Sparkwell Zoo £160.00
Eden Project Yrs 3/4 £800.00

Foundation Bikes and Trikes £870.00
Tables and Chairs £2,300.00
Rare Breeds Trip £226.00
Drama Coach £380.00
Year 6 Leaving £850.00
Enterprise Loan £350.00
Pirates Day Year 1 £260.00
Grand Total £9561.23

Thanks from Yr 4—We all had a great trip. The children gained so much from the experience of being inside the biomes Thank you for making the trip affordable for all of our children. I do think that the cost of the coaches in addition to the entry fee, would have made this visit prohibitively expensive for many, and your generous donation which made it a great day for everyone.

'Thank you for all the lovely things you've done for us, I'd never been in the Mediterranean biome—It was awesome!' Freya
